SHOCKING GUN ACCIDENT.

P ter A. Droubay and Mrs. Bramet tev rely injured - Pioneer Day.

Special Correspondence, Tooele, Tooele Co., July 27.—Many visitors, mainly from Mercur, Ophir and Stockton celebrated Pioneer day in our city. The day's program, prepared for the entertainment and amusement of all, was a decided success. The baseball game between the Ophir boys and the Eagles of Tooele was highly appre-ciated. At the end of the game the score stood 11 to 14 in favor of the Eagles. Some visitors found it almost impossible to secure a meal as the town was so overcrowded and the dance in Droubay's hall in the evening was filled to overflowing, but all seem ed to enjoy themselves,

Prof. Mose Johnson of the late "Cor-ianton" company occupied the time at Sunday evening meeting with some well chosen and ably rendered literary selections and a talk on elocution. On Monday evening he will organize a class which will probably consist of from 16 to 20 of our young people. Harvesting and thrashing are in full plast. of each side as a good play was made. The "blues" won the game by one point. This evening the Payson basket ball club played our team, Spanish Fork

Harmon, next came "Utah," represented by one of Utah's fair daughters, with her two maids; then a colory from old Virginia-from darkest Africa, we should say, - next came Utah's best crop, but only a small part could find room as their were "only" two or three wagons with hay racks, for their
